Rachel Kyte is Chief Executive Officer of the Sustainable Energy for All (SE4All) and Special Representative of the UN Secretary-General for Sustainable Energy for All. Ms. Kyte drives SE4All’s work to mobilize action towards its 2030 goals of ensuring universal access to modern energy services, doubling the global rate of improvement in energy efficiency, and doubling the share of renewable energy in the global energy mix. Dr. Kyte served as the International Finance Corporation (IFC) Vice President and Special Envoy for Climate Change, leading the Bank Group’s efforts to implement critical decisions at the December 2015 COP21 in Paris. She was previously World Bank Vice President for Sustainable Development and was previously World Bank Vice President for Sustainable Development and was previously World Bank Vice President for Sustainable Development and was previously World Bank Vice President for Sustainable Development. She was previously World Bank Vice President for Sustainable Development and was previously World Bank Vice President for Sustainable Development.
